Self-learning Worksheet 17

Read the passage carefully and answer the questions that follow.

Sita was visiting her cousin Mala at her house at the beach. It was a beautiful summer day. Sita built a big sand castle in the morning. Mala took pictures of the castle to send to Sita's parents. Sita wanted to play on the beach that afternoon. She wanted to build another sand castle. Mala told her it was too sunny. Mala said Sita could only go if she had a sunscreen and a hat.

Mala had a lot of hats. She said that Sita could borrow one of hers, since bigger hats were better anyway. Sita tried on four hats. The grey one was really pretty, but it had a big bow. The ribbons kept going into Sita's eyes. That would not be good for building a sand castle. The blue hat was too fancy. Sita did not like that hat at all. The red hat was nice, but it had flowers on it. Sita was afraid the flowers would get dirty. Then, Sita saw a big straw hat with a short red ribbon on it. The hat was not too fancy. It would be easy to clean. Sita knew it was the perfect hat.
