

FASN/17-18/Math/Class-I/Period 2/Self Learning/W.S-20

Name: _____ Sec. _____ Date _____

1) What comes just before 100? _____

2) What comes just before 199? _____

3) What comes just before 176? _____

4) Circle the number that comes just before 111.

113 110 112 102

5) What comes just after 90? _____

6) What comes just after 81? _____

7) What comes just after 109? _____

8) _____ comes just after 120.

9) _____ comes just after 156.

10) Circle the number that comes just after 119.

110 118 120 109

11) What comes in between 167 and 169? _____

12) What comes in between 106 and 108? _____

13) _____ comes in between 189 and 191.

14) _____ comes in between 168 and 170.

15) Circle the largest number in the following.

a) 176 190 109 138

b) 113 111 100 112

16) Circle the smallest number in the following.

a) 106 102 119 123

b) 194 126 144 132

17) Write the place value of the encircled digit.

a) 1 $\textcircled{6}$ 0 = _____

b) $\textcircled{1}$ 9 6 = _____

c) 9 $\textcircled{0}$ = _____

18) Write the number in expanded form.

a) 115 = _____

b) 105 = _____

c) 150 = _____

19) Write the number.

a) $100 + 70 + 4 =$ _____

b) $100 + 30 + 0 =$ _____

c) $10 + 1 =$ _____
