## A word for the parents-

### Suggested activities to be done at home.

Encourage students to add 2 single digit numbers mentally.

Play a game with a dice. Each player rolls the dice twice and then add the two numbers mentally. The player who will give the correct answer will get points. Record the score and the player with the maximum score is the winner.

## EVS

## A word for the parents-

### Suggested activities to be done at home.

Kindly encourage your child to observe the different tradition/culture/religious diversity of our country. As October is a month of important festivals kindly acquaint them more with different traditions/rituals we follow. Also, guide them about how we have diversity but still we are a secular and united country.
