

# MY ACTIVITY DAY

*Dear Parents,*

*Father Agnel school lays emphasis on ‘learning through fun-filled activities’, as a part of the curriculum for the all-round development of our children. Keeping this in mind, children of class Nursery will enjoy theme based “My Activity Day” (M.A.D.) where they will be engaged in various educational and fun filled activities and games related to the theme. They will be empowered to explore and learn things by ‘doing’.*

*Children will bring their school bag with diary, lunch box and water bottle only. They will wear their activity dress [white full sleeves T-shirt with track pant] on this day. All activities will be held during regular school hours. Your support and cooperation [ follow the instructions given in the circular] will add more enthusiasm in your child’s “My Activity Day” (M.A.D.)*

*NOTE: Dates of M.A.D. are mentioned in the diary. In case of any change in the schedule, you will be informed for the same.*
