IMPORTANT

This allocation is final and is not subject to change, regardless of the final Class X Board Results, since the data that we have factored for allotting the stream of study, is consistent over a period of 12 months, and not a single board result alone.

If per chance, there is a clarification to be sought by anyone, the same may be sought through an email communication to agnelenquiry11@gmail.com by 04th April 2018(10:00am). The School will revert to you and respond by 04th April 2018 (06:00pm), if a change is possible.

(This process prevents endless enquiries that seek to bypass the process followed and becomes a drain on the time of the Principal and the Faculty that has to go full stream from day one).
