...together ...and always ahead.

Dear Parents,

We are aware that you (some parents) have hired private vans for your ward's transport and we feel it is our duty to inform you about the following points.

1. It is essential to verify the identities of the drivers and conductors of the private vans/buses and to ensure that they have security clearance. You are also required to verify the physical fitness of the vehicles concerned.
2. It is also the duty of the parents to check if the drivers and conductors have valid licenses and have no suspect record.
3. Parents concerned should also ensure that the vans are not overcrowded and safety norms are followed.

The parents of such students, who travel to and from school through privately owned van/bus, must provide a duly signed affidavit on a 10 rupee stamped paper that states the following:

- a) That they have made their choice about their ward's transport through privately owned van/bus;
- b) That they are responsible for the verification of the drivers and conductors
- c) That they are monitoring the safety of their kids.

Herewith you will find attached an affidavit. Please keep in mind that this affidavit is essential for your ward's safety and security. Hence, kindly fill and submit it to the class teacher by 3rd July, 2018 positively.
