

ATHENA

The cultural ministry organised a series of cultural events- 'Athena' fittingly named after the Greek goddess of wisdom and war. The inter house competition, consisting of 5 categories, presented Agnelites an opportunity to exhibit their hidden talents.

First in the lineup was the Extempore Competition held on 27th of July. The participants of the extempore competition were to speak about- 'Taboos of the society' for 2 minutes which included but not limited to topics such as Mental Health and Unconventional Career Choices.

Next up was the Monologue competition wherein the contestants had to present a monologue on their favourite character from a book, play or movie in a span of 2-3 minutes. The students fervently delivered monologues from Aladdin, Namak Halal, Ghost Rider et cetera.

The Inter house Dance Competition provided the dancers an opportunity to enthrall the judges with their dancing prowess in the dance form of their choice whereas the Inter House Singing Competition allowed the singers to showcase their musical adroitness. The students enthusiastically participated in both the competitions.

Lastly, an Art Competition was held where the participants were to artistically express the problem that not only humanity but also organisms are collectively facing today - 'Ocean warming' or were to draw their own interpretation of 'Greek Gods and Goddesses'. The competition invited a lot of entries from our school's budding artists.

But perhaps 30th July was the day that the participants awaited the most- Result Declaration. With the winners felicitated, Athena finally culminated- as a celebration of creativity and wisdom.

RESULTS

1. EXTEMPORE COMPETITION

First Prize- Aakash Agarwal- XID (Vivekananda House)
