CLASS 4 EVS

ONLINE COLLAGE MAKING COMPETITION ON “WOMEN EMPOWERMENT”

An online collage making competition on “WOMEN EMPOWERMENT” was organised in Class 4 on 10th January 2022. The children participated with much enthusiasm. They kept all the materials ready prior to the competition. During the online session, they beautifully combined their creativity with the knowledge they gained from their EVS lesson.

Through this activity they could understand the achievements and the importance of Women Empowerment through the example of Wahida and cite examples of some other women who have excelled in their profession.
