Math Competition Results
Theme – ‘Geometrical Rangoli’

Rangoli is a traditional art form of different shapes and patterns. To kindle students’ interest and love for shapes, a Math Competition ‘Geometrical Rangoli’ was conducted on 29th August 2023. Our Grade II children created beautiful rangoli designs using different geometrical shapes. Students used their vivid imagination to create these rangolis. There was great excitement and zeal during the competition.

Below are the results of the Math Competition 2023-24.

Class	1 st Position	2 nd Position	3 rd Position	Consolation
