CLASS 4 A - EVS Competition Results

My Little Eden- Making Your Own Fairy Garden

In an endeavor to sensitise students, bring them close to nature and teach a new skill, the EVS department of Father Agnel School, Noida had organised a competition for Class 4 titled ‘My Little Eden- Making Your Own Fairy Garden’ on 29th September 2022. The children participated with much enthusiasm. They had brought beautiful materials to decorate their fairy garden, live plant specimens, artificial plants etc and created such beautiful gardens that were a treat to our eyes. During the competition, they created a magical garden that revolved around the theme using their imagination.

Through this activity they could experiment using small, natural objects to mimic bigger objects and also to understand that the plants and trees are an important part of the environment and the need to take care of them as they play a vital role in making this earth a better place to live in.

Congratulations to all the winners and kudos to all the participants!!
