

Inter House Quiz Competition

On April 18, 2023, the Academic Ministry hosted an inter-house quiz contest for the children in grades 6 through 8. The competition had six rounds, including a visual round and a rapid-fire round, and covered subjects like English literature, general knowledge, mental maths, and science. As representatives of Gurunanak, Kabir, Vivekananda, and St. Thomas, four teams competed. Kabir House emerged victorious and adjudged the winners, Vivekananda came in second, followed by Gurunanak and St. Thomas House.

The pupils excelled in knowledge and passion, and with the combined efforts of teachers and students, the event was a huge success. The quiz masters expertly handled the situation, keeping the pace engaging for the audience. The competition had the intended positive effect on the children, encouraging healthy competitiveness while aiding in the development of critical thinking.
