

Nursery Recitation activity

On 22nd July 2024, Nursery class transformed into a vibrant stage where our young learners showcased their talent through a recitation activity. The event was a testament of the children's creativity, confidence and enthusiasm. Children dazzled the classroom with their impressive performances, accompanied by beautiful props, prepared with the help of their parents, which added a touch of magic to their recitations. Children took turns to recite their favorite rhymes, showcasing their remarkable memory and language skills. It provided a platform for them to express themselves confidently.
