

Fr. Agnel School

.....together.....always ahead

The School is organising a study tour to the Craft Museum for the students of class VI on 19th May 2023.

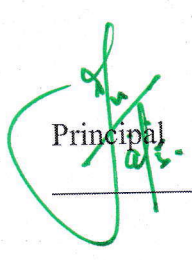

For the benefit of our students, we believe it will be an enriching experience for them.

During the study tour, our students will have the opportunity to explore the Craft Museum's exhibits and gain a deeper understanding of our cultural heritage. The tour will be led by our experienced teachers and will be conducted in a safe and supervised manner.

Please note that all students will be required to follow the school's code of conduct during the study tour. We expect our students to represent our school with pride and respect for the museum's artefacts and property.

Buses will ply as usual in the morning only. Parents have to make arrangements for the pickup of their wards. Timings will be informed later.

In order for your child to participate in the study tour, we require your written consent. Please fill out the enclosed consent form by 12th May 2023.
